See note in red ink, which Registers and Receivers will read and EXPLAIN THOROUGHLY to persons making application for lands where the affidavit is made before either of them.

NOTE.—It is required of the homestead settler that he shall reside upon and cultivate the land embraced in his homestead entry for a period of five years from the time of filing the affidavit, being also the date of entry. An abandonment of the land for more than six months works a forfeiture of the claim. Further, within two years from the expiration of the said five years he must file proof of his actual settlement and cultivation, failing to do which, his entry will be canceled. If the settler does not wish to remain five years on his tract, he can, at any time after six months, pay for it with cash or land warrants, upon making proof of settlement and cultivation from date of filing affidavit to the time of payment.

These land embraced in a homestead, or other entry not consummated, may be cleared in order to outstrip the land and improve the premises, but for no other purpose. If after clearing the land for outstrip, there is no objection to the settler retaining the same, but the question whether the land is being cleared of the timber for purposes of a homestead or other entry, and whether the settler is entitled to the same, will be determined by the Register and Receiver, and the person who has the land to be cleared, and also to remove the same, shall be bound to observe the provisions of the Revised Statutes.
