APPLICATION, No. 1903

HOMESTEAD.

Receiver's Office, Sidney, Neb.

October 9th, 1888

Received of David W Warner the sum of fourteen dollars no cents;

being the amount of fee and compensation of Register and Receiver for the entry of North East 1/4

of Section 11 in Township 20 of Range 58, under Section No. 2290, Revised Statutes of the United States.

[Signature] Receiver.

\$ 14⁰⁰

NOTE.—It is required of the homestead settler that he shall reside upon and cultivate the land embraced in his homestead entry for a period of five years from the time of filing the affidavit, being also the date of entry. An abandonment of the land for more than six months works a forfeiture of the claim. Further, within two years from the expiration of the said five years he must file proof of his actual settlement and cultivation, failing to do which, his entry will be canceled. If the settler does not wish to remain five years on his tract, he can, at any time after six months, pay for it with cash or land warrants, upon making proof of settlement and cultivation from date of filing affidavit to the time of payment.

Receiver just embraced in a homestead or other entry not recommended may be canceled in order to entitle the land and improve the position, but for an other purpose. If the settler does not wish to remain five years on his tract, he can, at any time after six months, pay for it with cash or land warrants, upon making proof of settlement and cultivation from date of filing affidavit to the time of payment.
