April 26, 1887

Received of Alfred H. Kimberly the sum of Fourteen dollars cents;

of Section 17 in Township 19 of Range 54, under

Section No. 2290, Revised Statutes of the United States.

John Treacy Receiver.

\$ 14.00

See note in red ink, which Registers and Receivers will read and EXPLAIN THOROUGHLY to persons making application for lands where the affidavit is made before either of them.

These fees are not to be charged in a homestead or other entry and compensation may be charged in order to authorize the land and improve the premises, but for no other purpose. The fee for a homestead entry is \$10.00. If the settler does not wish to remain five years on his tract, he can, at any time after six months, pay for it with cash or land warrants, upon making proof of settlement and cultivation from date of filing affidavit to the time of payment.

NOTE.—It is required of the homestead settler that he shall reside upon and cultivate the land embraced in his homestead entry for a period of five years from the time of filing the affidavit, being also the date of entry. An abandonment of the land for more than six months works a forfeiture of the claim. Further, within two years from the expiration of the said five years he must file proof of his actual settlement and cultivation, failing to do which, his entry will be canceled. If the settler does not wish to remain five years on his tract, he can, at any time after six months, pay for it with cash or land warrants, upon making proof of settlement and cultivation from date of filing affidavit to the time of payment.
