Scott Bluff County

Personally appeared before me J. H. Vickrey Clerk of the Dist Court of Scott Bluff County, Wilber W. Peters and who being duly sworn deposed and said, He is the identical person who made Homestead Entry No 454 <sup>March 14, 1888</sup> in the S<sup>1</sup> NE<sup>4</sup> and Lots 1 & 2, Section 2 Tp. 25 Range 56 and that he does now relinquish said claim to the Government of the United States, and all my rights and title thereto. And would ask that my Homestead right be restored. That my reason for asking same is that said land embraced in my Homestead entry No 454 is worthless for farming on the account of the great amount of alkali contained in the soil. That I have tried to raise crops on said claim since date of filing and have made a failure each time.

And farther I have never had the advantage of the Homestead Law having never perfected my title to a tract of land title under the homestead or pre-emption law
