\$ 14.00

See note in red ink, which Registers and Receivers will read and EXPLAIN THOROUGHLY to person making application for lands where the affidavit is made before either of them.

Further than entered in a homestead, or other entry not consummated, may be cleared in order to cultivate the land and improve the premises, but for no other purpose. If, after clearing the land for cultivation, there remains more timber than is required for improvement, there is no objection to the settler disposing of the same. But the question whether the land is being cleared to improve it, or to sell it, is for the consideration of the Register and Receiver, and the person who cut it will be held to and for recovery of the value of the timber, and not for removal of the same under section 2243 of the Revised Statutes.

NOTE.—It is required of the homestead settler that he shall reside upon and cultivate the land embraced in his homestead entry for a period of five years from the time of filing the affidavit, being also the date of entry. An abandonment of the land for more than six months works a forfeiture of the claim. Further, within two years from the expiration of the said five years he must file proof of his actual settlement and cultivation, failing to do which, his entry will be canceled. If the settler does not wish to remain five years on his tract, he can, at any time after fourteen months, pay for it with cash or land warrants, upon making proof of settlement and of residence and cultivation from date of filing affidavit to the time of payment.
