See note in red ink, which Registers and Receivers will read and EXPLAIN THOROUGHLY to persons making application for lands where the affidavit is made before either of them.

Timber land, embraced in a homestead, or other entry not consummated, may be cleared in order to cultivate the land and improve the premises, but for no other purpose. If, after clearing the land for cultivation, there is no objection to the settler disposing of the same for any other purpose, it will subject the land to being cleared of the timber for homestead purposes in a question of fact which is to be determined by the Register and Receiver. If the timber is cut and removed for any other purpose it will subject the entry to cancellation, and the person who cut it will be liable to meet and for recovery of the value of said timber, and also to removal of the section 3611 of the Revised Statutes.

NOTE.—It is required of the homestead settler that he shall reside upon and cultivate the land embraced in his homestead entry for a period of five years from the time of filing the affidavit, being also the date of entry. An abandonment of the land for more than six months works a forfeiture of the claim. Further, within two years from the expiration of the said five years he must file proof of his actual settlement and cultivation, failing to do which, his entry will be canceled. If the settler does not wish to remain five years on his tract, he can, at any time after six months, pay for it with cash or land warrants, upon making proof of settlement and cultivation from date of filing affidavit to the time of payment.
