

## UNITED STATES LAND OFFICE,

Alliance Neb.

April 20th. 1893.

Hon. Register U.S.L.O.

Sidney Neb.

Sir Charles C. Whipple of Dorrington Neb. made application this day for the S $\frac{1}{2}$ NE $\frac{1}{4}$  and Lot One sec 5 20- 57. and SW $\frac{1}{4}$  34- 21- 57.

the former part of the description being for land in your district

That Mr. Whipple may be protected in his rights regarding this entry we have deemed it proper that the entries in each office should be certified to each other, and by so doing the entry can be considered by the department as one entry (which in reality it is) though the entry must be covered by two certificates on account of its location being in two districts, a matter which Mr. Whipple is not responsible <sup>for</sup> and cannot avoid, and which of course does not effect his rights under the law.

For these reasons I do hereby certify that the tract of land asked for (which lies in this district) viz SW-SE $\frac{1}{4}$  34- 21- 57. is vacant and the same has this day been marked as reserved on my ~~xxx~~ records awaiting a reply and a certificate from your office.

Respecty

*J. M. Dorrington*
